Bottle Cava with sleever, 75cl.

Alcohol 11,5%

Aeging Minimum 12 months

Residual Sugar 42 g/l

Consumption Temperature 6 – 8°C

TASTING NOTES

Very pale yellow with green tones, good release of bubbles of medium size. Accentuated aroma of fresh grapes, pleasant in the nose and revealing into youth. Great structure in the mouth, very homogeneous flavours evoking the varieties of the grapes. Balanced in acidity and sugars; long, smooth finish. Very clear retro-nasal effect. Due to its big volume, it is great to drink on ice cubes!
